Waiting Period

A waiting period is a set amount of time that must pass from an employee's date of hire to when that employee's health insurance benefits begin.

Employee: 30 days - 1st of the month: Eligible for coverage on the first of the month following 30 days from date of hire.

Example: Hire Date = June 15 + 30 days = July 14, coverage effective August 1

Elected Official: 0 days: Eligible for coverage on date of hire.

EMPLOYEE INFORMATION

This is a general Summary of your benefit design. Please refer to your benefit booklet for other details and for limitations and exclusions.

MDLive (Telemedicine) is part of your benefit plan design. Access to an independently contracted board-certified doctor is available 24 hours a day, seven days a week to speak to immediately or schedule an appointment based on your availability. Please refer to your benefit booklet for other details.

The following benefits apply to dependent coverage:

- Dependent children are covered to age 26.
- Automatic coverage for newborns for the first 31 days following birth. Infants not enrolled for coverage within the first 31 days after birth will not be eligible for coverage until the following open enrollment period or special enrollment event.

Payments: Network providers agree to accept amounts negotiated with BCBSTX and are paid according to this BCBSTX-determined Allowable Amount. Covered individuals are responsible for any required Deductibles, Coinsurance Amounts, and Copayments. Plan benefits paid to Out-of-Network providers are based on the BCBSTX-determined Allowable Amount, except in the event of Emergency Care received in an outpatient hospital emergency treatment room within 48 hours of the incident. For all other services received by an Out-of-Network Provider, the covered individual will be responsible for charges in excess of the Allowable Amount in addition to any applicable Deductibles, Coinsurance Amounts, and Copayments. For cost savings information, refer to the section on ParPlan Providers and the definition of Allowable Amount in the benefit booklet.

Replacement of Medical Coverage: In compliance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA), the following provisions apply to each eligible participant who has health coverage under the employer's plan immediately prior to the effective date of the health contract between the employer and BCBSTX (the contract date):

- Benefits for eligible expenses incurred for any service or supplies prior to the contract date, are not covered under the contract.
- Eligible expenses for services or supplies incurred on or after the effective date will be considered for benefits subject to all applicable contract provisions.

Contact Customer Service at 1-855-357-5228 or your County Benefits Administrator if you have any questions.

Understand Your Health Plan Before You Get Care to Help Avoid Higher Costs

Prior authorization is an approval that is needed from your health plan before you have certain health tests or services. To help make sure your care is appropriate and avoid unexpected costs, it's important that approval is received before you get these services.

Usually, your network provider will take care of prior authorization before the service is performed. But it is always a good idea to check if your doctor has gotten the needed approval.

We want you to get the most out of your health care benefits – let us help! Call the number on your Blue Cross and Blue Shield of Texas member ID card for questions.

Your Prior Authorization Checklist

Once your health plan coverage starts, you can begin using the resources below. Be a smart health care shopper – use these tools to stay informed about your plan benefits.

Connect with us

Use the information on your BCBSTX member ID card to create a Blue Access for MembersSM account at mybenefits.county.org. Click on Benefits, then select Links & Contacts and Go to Blue Cross Blue Shield Member Site. And download the BCBSTX App at the Apple or Google Play store. Both tools can help you keep up with your benefits.

Know what your plan requires

Download your benefit booklet in BAMSM to see a more detailed list of services that require approval under your plan. Confirm with your provider that they have gotten approval before your service.

Track your status

You can check whether your prior authorizations have been submitted or approved in BAM or in the BCBSTX App.

Services That May Require Prior Authorization

We want you to be clear about what your health plan covers.

Services¹ that may need prior authorization in advance:

- Inpatient hospital stays²
- Stays in a facility for rehabilitation, long-term care or skilled nursing care
- Behavioral health care, either in or outside of a hospital
- Some high-cost specialty drugs

Some services you get without a stay at the hospital may also require prior authorization, such as:

- Air ambulance (for non-emergencies)
- Breast lift or reduction surgery
- Electrical stimulation of the brain, nerves or stomach
- Home health care
- Home infusion
- Hospice
- Some ear, nose or throat services, such as bone conduction hearing aids, cochlear implants or surgery
- Some surgeries of the face, jaw, mouth or teeth
- Some wound care services, such as high-pressure oxygen treatment

You are responsible for calling BCBSTX if you get out-of-network care. Be sure to notify BCBSTX within two days of an emergency, maternity, mental health or substance abuse hospital admission at an out-of-network facility. For prior authorization or other questions, call the number on your member ID card.

1. Prior authorization requirements vary by plan. Check your benefits booklet or call the Customer Service number on your member ID card for questions about your benefits. A prior authorization is not a guarantee of benefits or payment.

2. In-network inpatient hospitals are required to request prior authorizations on your behalf. 16

Take Advantage of Preventive Services

Your family's track to better health begins with a single step

Preventive check-ups and screenings can help find illnesses and medical problems early and improve the health of you and everyone in your family.

Your health plan covers screenings and services with no out-of-pocket costs like copays or coinsurance as long as you visit a doctor in your plan's provider network. This is true even if you haven't met your deductible.

Some examples of preventive care services covered by your plan include general wellness exams each year,

recommended vaccines, and screenings for things like diabetes, cancer or depression. Preventive services are provided for women, men and children of all ages.

For more details on what preventive services are covered at no cost to you, refer to the back of this flier for a listing of services, or see your benefits materials.

¹ Non-grandfathered health plans are required by the Affordable Care Act to provide coverage for preventive care services without cost-sharing only when the member uses a network provider. You may have to pay all or part of the cost of preventive care if your health plan is grandfathered. To find out if your plan is grandfathered or non-grandfathered, call the Customer Service number listed on your member ID card.

Where to Go for Care

What do you do if your clutch player breaks an arm in the big game? Or you slice your finger chopping veggies? Or have stomach cramps after last night's sushi date? Often the choice is clear. If you have signs of a heart attack, it's best to go to the emergency room. But what if you have a sore throat? Or lower back pain?

Knowing where to go can make a big difference in the cost of your care — especially when you use in-network providers.

We make it easy to find independently contracted, in-network providers near you:

- Log in to Blue Access for MembersSM at **mybenefits.county.org**. Click on **Benefits**, then select **Links & Contacts** and **Go to Blue Cross Blue Shield Member Site**
- Call Customer Service at the number on your ID card

Doctor

Is your blood pressure high? Are allergies making you miserable? Can't sleep? Your go-to provider is a good place to start. Some even offer telemedicine. If you need a specialist, your doctor will tell you.

Good for: health exams, shots, cough, sore throat

Wait time: check with office

Cost: in network \$ out of network \$\$

Retail Health Clinic

Need a flu shot? Feel queasy? Have an ear ache or rash? Many grocery stores and pharmacies have on-site medical clinics. Some may even see patients evenings, weekends and holidays.

Good for: headache, stomach ache, sinus pain

Wait time: check with clinic

Cost: in network \$ out of network \$\$

Urgent Care Center

Sprain your ankle? Have a monster migraine? Can't stop coughing? These centers offer non-emergency care when your doctor's office isn't open evenings, weekends or holidays. Some may offer online booking.

Good for: back pain, vomiting, animal bite, asthma

Wait time: often less than ER

Cost: in network \$\$ out of network \$\$\$

Hospital ER

Worried you may be having a heart attack? Did you black out after a nasty fall? Are you coughing up blood? ER doctors and staff are trained to treat serious and life-threatening health issues 24/7.

Good for: chest pain, bleeding, broken bones

Wait time: varies

Cost: \$\$\$\$

Know the Difference: Freestanding ER vs. Urgent Care Center

Freestanding ERs look a lot like urgent care centers, but are not affiliated with a hospital. Nearly all are out of network. You could end up with a hefty bill (or several bills). You might even be sent to a hospital ER for care! Here are ways to spot a freestanding ER:

1. Look for "Emergency" on the building exterior.
2. Check the hours. If it's open 24/7, it's a freestanding ER. Urgent care centers close at night.
3. Confirm it's not connected to a hospital.
4. Ask if it follows the copay, coinsurance and deductible payment model.

If you need emergency care, call 911 or seek help from any doctor or hospital immediately.

Note: Many health care providers offer telehealth appointments. Ask your preferred provider if they do and if it is appropriate for your condition(s).

Members are strongly advised to search and verify the network status of any health care provider or facility before receiving care to avoid unexpected charges. Network participation may change, and it is the member's responsibility to review whether a provider is in network at the time of service.

Examples given for each care scenario are not intended as an exhaustive list. You may seek care and be treated for other conditions or illnesses other than those cited as examples.

Information provided in this flier is not intended as medical advice, nor meant to be a substitute for the individual medical judgment of a doctor or other health care professional. Please check with your doctor for individualized advice on the information provided. Coverage may vary depending on your specific benefit plan and use of network providers. For questions, please call the number on your member ID card.

Virtual Visits: **Get Cost-Effective, 24/7 Care**

With Virtual Visits from MDLIVE®, the doctor is always in. This Blue Cross and Blue Shield of Texas benefit gives you access to 24/7 non-emergency care from a board-certified doctor or therapist by phone, online video or mobile app from almost anywhere.

Skip expensive ER bills and waiting to see a doctor. You can speak with a Virtual Visits doctor within minutes.

Services are available in both English and Spanish with translation services available in other languages.

Blue Cross and Blue Shield of Texas, a Division of Health Care Service Corporation, a Mutual Legal Reserve Company, an Independent Licensee of the Blue Cross and Blue Shield Association

Why Virtual Visits?

- 24/7 access to an independently contracted, board-certified doctor or therapist
- Access via phone, online video or mobile app from almost anywhere
- Average wait time of less than 20 minutes
- Doctors can send e-prescriptions to your local pharmacy

The Virtual Visits benefit is a convenient alternative for treatment of more than 80 health conditions, including:

- Allergies
- Cold/Flu
- Fever
- Headaches
- Nausea
- Sinus infections

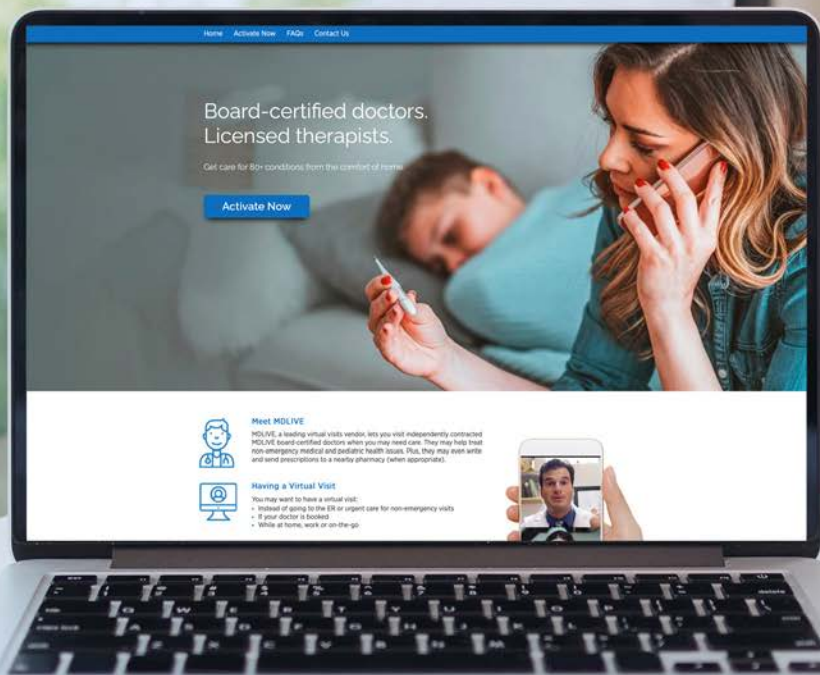

Virtual Visits sessions with licensed behavioral health therapists are available by appointment. Get virtual care for:

- Depression
- Eating disorders
- ADHD
- Substance use disorders
- Trauma and PTSD
- Autism spectrum disorder

First, call your doctor's office; they may also offer telehealth consultations by phone or online video. If you have any questions about this or any other BCBSTX benefit, please call the number on your ID card.

Activate your Virtual Visits account today:

- Call **888-676-4204**
- Go to **MDLIVE.com/bcbstx**
- Text **BCBSTX** to **635483**
- Download the app

Virtual Visits may be limited by plan. For providers licensed in New Mexico and the District of Columbia, Urgent Care service is limited to interactive online video; Behavioral Health service requires video for the initial visit but may use video or audio for follow-up visits, based on the provider's clinical judgment. Behavioral Health is not available on all plans.

MDLIVE is a separate company that operates and administers Virtual Visits for Blue Cross and Blue Shield of Texas. MDLIVE is solely responsible for its operations and for those of its contracted providers. MDLIVE® and the MDLIVE logo are registered trademarks of MDLIVE, Inc., and may not be used without permission.

Blue Cross®, Blue Shield® and the Cross and Shield Symbols are registered service marks of the Blue Cross and Blue Shield Association, an association of independent Blue Cross and Blue Shield Plans.

BlueResourceSM – Protecting Your Health – Screening for Breast Cancer

Learn How to Detect Breast Cancer Early

Nearly every woman worries about breast cancer – and for good reason. Every two minutes a woman in the United States is told she has breast cancer. Here’s the good news: When breast cancer is found early, the five-year survival rate is 99 percent. Take these steps to help protect yourself.

Do a self-exam. Know how your breasts normally look and feel. Check them once a month and talk with your doctor if you notice any changes.

Visit your doctor each year. Ask for a breast exam as part of your annual checkup. Discuss other breast screenings you may need based on your age, risk factors and health history.

Make mammograms a must. Talk with your doctor at the age of 40 to see when and how often you should have breast X-rays. Follow recommended screening guidelines.

Focus on healthy living. Watch your weight and stay active. Eat fresh fruits and vegetables. Give up tobacco and limit the amount of alcohol you drink.

Get screened for breast cancer.

Health Care Fraud Prevention and Reporting

Health Insurance Fraud

Health care fraud, waste and abuse have a negative effect on the health care industry and our nation. Health care fraud costs billions of dollars each year. It impacts all of us in the long run.

Health care fraud leads to:

- Higher health care costs
- Limited health care resources
- Lower consumer confidence in our health care system

Examples of health care fraud include billing for:

- A service that was never performed
- A more expensive service, supply or piece of equipment other than what was really provided
- The same service twice

Blue Cross and Blue Shield of Texas has its own Special Investigations Department to fight fraud. The SID staff includes people from diverse backgrounds such as:

- Medical providers (doctors and nurses)
- Insurance industry experts
- Professional coders
- Law enforcement

SID also has a Data Intelligence Unit to partner with SID investigators to find and stop fraud, waste and abuse. When appropriate, SID refers fraud cases for criminal prosecution.

How do I report fraud?

If you suspect fraud, there are ways to report it.

- **Report by Phone: 1-800-543-0867**

The toll-free Fraud Hotline is available 24 hours a day, 7 days a week. You can remain anonymous or you can let us know if you want to be contacted.

- **Report Online: [Complete a fraud report](#)**

This online fraud reporting form can be completed and sent to the SID.

- **Report by U.S. Mail:** Blue Cross and Blue Shield of Texas

Your Medicare Checklist:

This checklist will help you remember the important steps that need to be taken between now and your 65th birthday or when you become Medicare eligible. The items are listed in the order you should address them.

7 to 9 Months Before Your 65th Birthday

- Contact the Social Security Administration at 1-800-772-1213, TTY: 1-800-325-0778, or go online to ssa.gov to confirm your eligibility for Medicare benefits.
- Review your current health insurance coverage to find out what happens after you become Medicare eligible. If you are working, contact your Human Resources department.

4 to 6 Months Before Your 65th Birthday

- Check with your current doctors to see if they accept Medicare.
- Learn and research Medicare coverage options in your area at medicare.gov (general Medicare information, ordering Medicare booklets, information about health plans, learning if you qualify for financial assistance) or bcbstx.com/medicare (coverage specifics, plan options and estimated costs).

3 Months Before Your 65th Birthday

- Enroll in Medicare Part A and Part B*. If you haven't received your automatic enrollment packet in the mail, contact the Social Security Administration at 1-800-772-1213, TTY/TDD: 1-800-325-0778, or go online to ssa.gov.
- Select your Medicare coverage option. Learn about BCBSTX's options at bcbstx.com/medicare or speak to a BCBSTX Medicare sales representative at 1-866-292-6745, TTY/TDD: 711. We are open 8 a.m. – 8 p.m., local time, 7 days a week. If you are calling from February 15 through September 30, alternate technologies (for example, voicemail) will be used on weekends and holidays.

* You may defer enrollment in Part B for as long as you are enrolled in a qualifying group health plan.

IV. Navitus Prescription Drug Resources

Make the Most of Your Pharmacy Benefits

Welcome to Navitus

Navitus Health Solutions is pleased to manage your pharmacy benefit. We have partnered with the Texas Association of Counties (TAC) to support your health and help you get the medications you need at the lowest cost. The following information will help you better understand and manage your pharmacy benefits.

Member Portal and App

Our member portal helps you access your benefits with tools such as:

- **Pharmacy locator** — find in-network pharmacies near you
- **Cost compare** — find the best price for your drugs
- **Formulary** — check which drugs are covered by your plan

To visit the Navitus member portal, log in to your TAC account at mybenefits.county.org. You will be able to access the portal via a single sign-on link there.

You can also access your benefits, find a nearby pharmacy, view and manage your drugs and more on the Navitus app.

Check your benefit information anywhere and at anytime!

To download, go to the App Store or Google Play, or hover your phone's camera over this QR code*.

* The QR code may identify your IP/device information. However, your personal and health information is strictly confidential and will not be captured.

Easily Fill Your Prescriptions

Network Pharmacies

Your network includes all major chains and most independent pharmacies. You can find a local network pharmacy on the Navitus member portal via single sign-on from mybenefits.county.org.

Mail Order Pharmacy

Save time and money by having your prescriptions mailed directly to you through Costco Pharmacy. You will be able to get a 90-day supply of your maintenance drugs.

To start, simply register online at costco.com/pharmacy. You can also call Costco's customer service team at 800-607-6861. **You do not need to be a Costco member to use Costco pharmacies.**

Specialty Pharmacy

Specialty drugs are used to treat rare or complex conditions that require additional support. They can only be filled at specialty pharmacies. We partner with **Lumicera Health Services** to fill your specialty drugs. They will help you understand how to take or use your specialty drug and will work closely with your health care provider to provide personalized support and refill reminders.

Lower Your Drug Costs

These strategies can help you save on your prescription drugs:

1. Check Prices Online

The Navitus member portal and mobile app enable you to check drug prices before you visit the pharmacy. Visit the Navitus member portal via single sign-on from mybenefits.county.org or download the Navitus app to get started.

2. Consider a Generic Drug

Did you know that generic drugs are just as effective as brand-name drugs, are legally required to have the same active ingredient, and go through the same U.S. Food and Drug Administration (FDA) testing? They can also be much more affordable. If you are taking a brand drug, ask your provider if a generic might be appropriate.

3. Take Advantage of 90-Day Refills

If you are taking a maintenance drug, ask your provider if it can be filled every 90 days instead of every 30 days. You will take fewer trips to the pharmacy and can often save money. Typically, 90-day refills can be filled either at your retail pharmacy or by mail order.

Frequently Asked Questions

How do I fill a prescription when I travel?

If traveling for less than one month

You can fill an additional one-month supply of your drug at a network pharmacy. You can also ask your pharmacy to mail a one-month supply to you at the address where you will be staying if it is in the United States.

If traveling for more than one month inside the United States

Ask your pharmacist to transfer your prescription to a network pharmacy in the area you are traveling. Alternatively, your provider may be able to write an additional prescription for you to fill at a network pharmacy during your trip.

If traveling for more than one month outside the United States

Please contact Customer Care at 866-333-2757.

What is a formulary?

Your formulary is a list of drugs covered by your plan. It tells you whether a drug is generic or brand name, what cost tier it falls under and if there are coverage requirements or limits.

What are tiers?

Tiers are levels of coverage in your formulary. They are based on drug type and usage.

Tier 1	The lowest-cost drugs — most generic drugs. Also includes some low-cost, brand-name drugs.
Tier 2	Medium-cost drugs — most brand-name drugs. Also includes some high-cost, generic drugs.
Tier 3	Higher-cost drugs — most brand-name drugs and almost all specialty drugs.

Who decides which drugs are covered?

The Navitus Pharmacy and Therapeutics committee is made up of independent pharmacists and physicians from multiple specialties, none of whom are employed by Navitus. They meet regularly to review new and updated drugs for addition to the formulary. TAC works with a nationally recognized independent pharmacy consulting firm to evaluate Navitus' formulary change recommendations and to determine tier placement for all covered drugs.

What does it mean if my drug needs prior authorization, step therapy or quantity limits?

Prior authorization

Prior authorization means that certain criteria must be checked to ensure that a drug is appropriate and cost-effective before it is covered. Drugs that require prior authorization are marked “PA” on the formulary.

If your drug requires prior authorization, your provider can call 866-333-2757 to request approval or to find an alternative. We review requests within two business days.

Step therapy

Step therapy helps manage high-cost drugs. Drugs that need step therapy are marked “ST” on the formulary. With step therapy, you may be asked to try a safe and cost-effective alternative before the original drug is covered.

When filling a drug with step therapy, your pharmacist will be asked to call your provider about the alternative drug. Most members find that the lower-cost drug works well for them. You may also discuss the alternative with your provider.

Quantity limits

Quantity limits follow FDA guidelines for the amount of a drug you can receive within a certain time frame. They exist for your safety. Drugs with quantity limits are marked “QL” in the formulary. If you have a drug with a quantity limit, your provider may need to write a prescription for a smaller quantity or a shorter days’ supply.

Questions?

Most information can be found in the member portal or app. If you have questions, or can't find what you're looking for, you can also call our Customer Care team at 866-333-2757. We are available 24 hours a day, 7 days a week.

V. Dental Plan Resources

Smile! You Have BlueCare Dental PPOSM

BlueCare Dental PPO offers you and your family access to one of the largest national dental PPO provider networks.¹

This network includes general and specialty dentists in Texas as well as across the country. As a plan member of the BlueCare Dental PPO, you can go to any dentist. However, you'll save money and get more from your benefits when you use an in-network dentist. These in-network dentists have agreed to:

- Accept set fees for covered services
- Not bill you for costs over the negotiated fees (except copayments, coinsurance and deductibles)

If you choose an out-of-network dentist, he or she may have higher fees and charge you for amounts not covered by your insurance. To get the most from your benefits, choose an in-network dentist.

Finding an In-Network Dentist is Easy

For a list of in-network general and specialty dentists, go to mybenefits.county.org. Click on **Benefits**, then select Links & Contacts and **Go to Blue Cross Blue Shield Member Site**. You can search for a dentist near your home, school or office.

Dedicated Customer Service

After signing up, you will get more detailed information about your dental plan. Look at your plan materials for complete details. Customer Service can answer questions about eligibility, claims, benefits and providers. Just call **855-357-5228** between 8 a.m. and 6 p.m. (CT), Monday through Friday.

BlueCare Dental ConnectionSM

As an enhanced service, Blue Cross and Blue Shield of Texas offers BlueCare Dental Connection. This service provides educational information and other resources to help you make choices about your dental care — at no extra cost.

To help you learn about good oral health, BlueCare Dental Connection offers:

- Educational mailings
- 24-hour online access to the Dental Wellness Center[®], which offers educational articles and special tools

To access the Dental Wellness Center, log in to Blue Access for MembersSM at mybenefits.county.org. Click on **Benefits**, then select **Links & Contacts** and **Go to Blue Cross Blue Shield Member Site** and select the **My Health tab** on the dashboard, then click on **Wellness** and scroll to the **Dental Wellness Center**.

The Dental Wellness Center allows you to:

- Ask dental questions through **Ask a Dentist**
- Locate an in-network dentist using **Find a Dentist**
- Research dental fees with the **Dental Cost Advisor**
- Search the **Dental Dictionary** for common terms
- View **Educational Videos** on dental topics

1. Network360[®] Analytics Suite (03/2024).

The Dental Wellness Center, Dental Cost Advisor, Ask a Dentist, Dental Dictionary and Treatment and Procedure are provided by DNoA, a separate company that acts as the administrator of BCBSTX dental plans.

BlueResourceSM – Protecting Your Health – Caring for Your Mouth

Brush Your Way to Better Health

The world may see your friendly smile, but what’s going on behind it? The inside of your mouth is home to millions of bacteria. Along with tooth decay, they can boost your risk for serious illness and disease if not kept in check. Protect your mouth and overall health.

Blue365[®] Davis VisionSM Discount Program

Blue Cross and Blue Shield of Texas is pleased to offer our members a vision discount program through Davis Vision, a national provider of vision care programs.

What is the Davis Vision discount program?

This is a program that may offer savings on eyeglasses, contact lenses, eye exams, accessories and laser vision correction. See the back page for a full list of discounts.

How do I locate a Davis Vision provider?

The Davis Vision network consists of major national and regional retail locations, such as Visionworks[®], as well as independent ophthalmologists and optometrists.

For a list of Davis Vision providers near you, go to **davisvision.com**, click Member and enter Client Code 2295 in the Client Code field, or call Davis Vision at **888-897-9350**. For more information about Blue365, log in to Blue Access for MembersSM (BAMSM) at **mybenefits.county.org**. Click on **Benefits**, then select **Links & Contacts** and **Go to Blue Cross Blue Shield Member Site**. Click the Wellness tab at the top. Or visit **blue365deals.com/BCBSTX**.

Are there any exclusions?

The following items are not covered by this vision discount program:

Live Well with the Well onTarget Member Wellness Portal

The Well onTarget® Member Wellness Portal at wellontarget.com provides you with tools to help you set and reach your wellness goals. The portal is user-friendly, so you can find everything you need quickly and easily.

Explore Your Wellness World

When you log in to your portal, you will find a wide variety of health and wellness resources, including:

- The Health Assessment (HA)
- Self-Management Programs
- Health trackers
- Trusted news and health education content

See Your Stats in a Flash

Everything you want to see quickly is on your dashboard. The dashboard shows all of your Well onTarget programs. You can see where you are today compared with where you were when you started. You can also read the latest health news, check your activity progress and more.

Take a Snapshot of Your Health

The HA asks you questions about your health and habits.¹ You then get a Personal Wellness Report. This report suggests ways to make positive lifestyle changes. Your report can also help you decide which Well onTarget program to start first to get the most benefit. You can even print a Provider Report to share with your doctor.

Blue PointsSM Program²

Small rewards may motivate you to make positive changes to meet your wellness goals. With Well onTarget, you can earn Blue Points for making healthy choices. If you enroll in the Fitness Program or take your HA, you earn points.³ You can also earn points when you achieve milestones in the Self-Management Programs. Redeem your Blue Points for gift cards for yourself or family and friends.⁴

Health Tools and Trackers

Knowing what you eat and how much you work out can help you reach your goals. But keeping track of all you do can be time-consuming. To make it easy, the portal has trackers that let you record how much sleep you get, your stress levels, your blood pressure readings and your cholesterol levels.

The portal also offers a symptom checker. When you don't feel well, this tool can help you decide if you should see a doctor.

Self-Management Programs

These programs consist of:

1. Interactive programs with learning activities and content that focus on behavioral changes to reinforce healthier habits.
2. Educational programs that inform about symptoms, treatment options and lifestyle changes.

These two learning methods allow you to study on your own time and may help you get to the next level of wellness. Topics include nutrition, weight management, physical activity, stress management, tobacco cessation and more.

Fitness Tracking

Earn Blue Points for tracking your fitness activity using popular fitness devices and mobile apps.

Take Wellness on the Go

Check out the Well onTarget AlwaysOn Wellness mobile app, available for iPhone[®] and Android[™] smartphones. It can help you work on your wellness goals — anytime and anywhere.

1. Well onTarget is a voluntary wellness program. Completion of the Health Assessment is not required for participation in the program.

2. Blue Points Program Rules are subject to change without prior notice. See the Program Rules on the Well onTarget Member Wellness Portal for more information.

3. This does not apply to points you earn for completing Fitness Program activities.

4. Member agrees to comply with all applicable federal, state and local laws, including making all disclosures and paying all taxes with respect to their receipt of any reward.

The Fitness Program is provided by Tivity Health[®], an independent contractor that administers the Prime Network of fitness centers. The Prime Network is made up of independently owned and operated fitness centers. Blue Cross and Blue Shield of Texas makes no endorsement, representations or warranties regarding third-party vendors and the products and services offered by them.

Well onTarget is an informational resource provided to members and is not a substitute for the independent medical judgment of a health care provider. Members are instructed to consult with their health care provider before beginning their journey toward wellness.

OMADA FOR PREVENTION®

Frequently Asked Questions

What is Omada for Prevention?

Omada for Prevention is a virtual program that makes it easier to manage your weight and reach your health goals. With expert support from a dedicated care team and a smart scale to monitor your progress, you'll learn to make small changes that last—at your own pace—so you live healthier, feel better and have more energy.

How much does it cost?

If eligible, the program is at no cost to you (up to a \$700 value).

What does the dedicated care team do?

Your **personal health coach** is your main point of contact. They provide one-on-one support to help you manage weight and stress, while cheering you on every step of the way.

What's the time commitment?

You can use the program as long as you need it and as long as it's offered by your employer or health plan. On average, members participate 1-2 hours per week.

What do I get as a member?

You get a program valued up to \$700—at no cost to you (if eligible).

- ✓ A personal health coach
- ✓ A personalized care plan
- ✓ Tools for managing stress
- ✓ Online peer group and communities

Plus, you get a smart scale to monitor your progress. Yours to keep.

- ✓ Readings sync automatically
- ✓ See how habit changes can impact weight over time
- ✓ Get a personalized plan based on progress

Who is eligible for this program?

If you or your adult family members are enrolled in the Texas Association of Counties Health and Employee Benefits Pool health plan in partnership with Blue Cross and Blue Shield of Texas, and are at risk for type 2 diabetes or heart disease, the Omada program is included in your benefits at no cost to you.

I've tried many different diets in the past. How is Omada different?

Omada focuses on building healthy habits that last. It's not about counting calories or avoiding foods you "can't eat" or things you "shouldn't do." Instead, through lessons, food tracking, and setting small, simple goals, you'll learn how to build healthier routines around what you love and what works for you—all with the support and guidance of your personal health coach. Members who set goals with Care Team support are 2.5x as likely to achieve target outcomes vs. members who do not.

How does Omada help me with stress?

If you experience stress, have trouble sleeping, or struggle with motivation, your personal health coach will provide you with coping techniques and exercises and help you make a plan towards feeling better, in both mind and body.

I already see my doctor about my health. Do I still need Omada?

Omada makes sure you have the care you need between doctor visits. With your health coach available to answer questions and provide guidance, Omada can function as your day-to-day support.

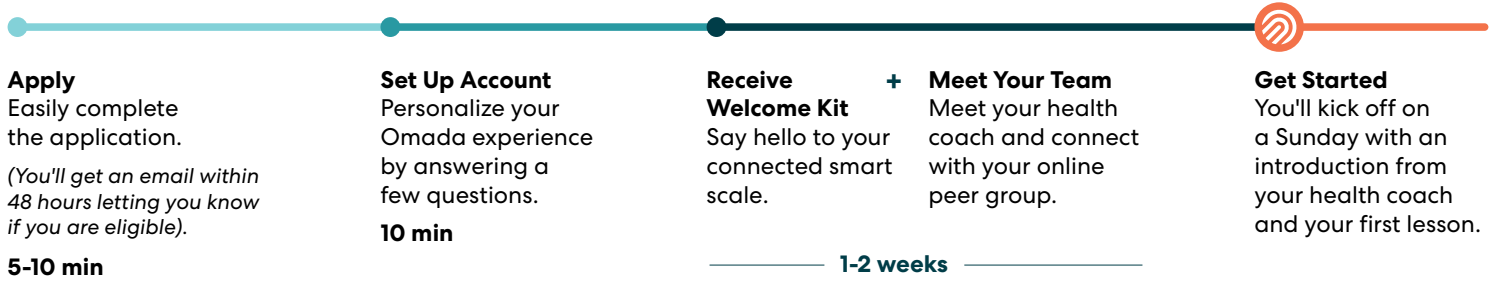

Will my information be safe?

Omada takes your personal health information seriously. Your participation in the program is confidential and we follow all federal and state privacy regulations as a health care provider. To learn more, please read [Omada's Privacy Policy](#), [Terms of Use](#) and [Notice of HIPAA Privacy Practices](#) (Found at the bottom of the Omada Health home page).

Can family members join this program?

Yes, adult family members who are covered under a qualifying health plan, and meet the clinical enrollment criteria, may be eligible. Refer to your health benefit documents for details.

It's Okay to Need Help

Take care of your mental health to cope with what life brings your way.

If you struggle with thoughts or feelings that make it harder to get through your day, you're not alone. About half of people in the U.S. will suffer from a mental health issue at some point in their lives.¹

Care from a mental health expert can help you manage your emotions and deal with challenges.

Mental health is just as important as physical health.

Your health plan includes access to mental health care like therapy and medicines that might help. You and your family members can get support for issues such as:

- Depression
- Anxiety and panic attacks
- Substance use
- Attention deficit (ADHD/ADD)
- Autism
- Bipolar
- Eating disorders

Your journey is one-of-a-kind.

Whether you need support to get through everyday life or a major crisis, seeking help is the first step to getting better.

Find a provider who can help get you where you want to be.

1. Go to mybenefits.county.org.
2. Click on **Benefits**, then select **Links & Contacts** and Go to **Blue Cross Blue Shield Member Site**.
3. Use the information on your member ID card to complete the process.
4. Then, click **Find a Doctor or Hospital**.

VIII. Important Notices

Important Notice from Brazos County About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Brazos County and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Brazos County has determined that the prescription drug coverage offered by the Blue Cross Blue Shield of Texas Medical Plan for the plan year 2026 is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered **Creditable Coverage**. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens to Your Current Coverage If You Decide to Join a Medicare Drug Plan?

If you decide to join a Medicare drug plan, the following options may apply:

- You may stay in the Brazos County Medical Plan and not enroll in the Medicare prescription drug coverage at this time. You may be able to enroll in the Medicare prescription drug program at a later date without penalty either:
 - During the Medicare prescription drug annual enrollment period, or
 - If you lose Brazos County's creditable coverage.
- You may stay in the Brazos County Medical Plan and also enroll in a Medicare prescription drug plan. Brazos County Medical Plan will be the primary payer for prescription drugs and Medicare Part D will become the secondary payer.
- You may decline coverage in the Brazos County Medical Plan and enroll in Medicare as your only payer for all medical and prescription drug expenses. If you do not enroll in the Brazos County Medical Plan, you are not able to receive coverage through the plan unless and until you are eligible to reenroll in the plan at the next open enrollment period or due to a status change under the cafeteria plan or special enrollment event.

When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Brazos County and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later. If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) if you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice or Your Current Prescription Drug Coverage...

Contact the person listed below for further information.

NOTE: You will get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Brazos County changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the “Medicare & You” handbook. You’ll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the “Medicare & You” handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

You may be eligible for assistance paying your employer health plan premiums. In Texas, contact information regarding eligibility is listed below.

Women's Health and Cancer Rights Act of 1998 Notification

In 1998, the U.S. Congress passed the Women's Health and Cancer Rights Act of 1998 that provides coverage for reconstructive surgery and related services following a mastectomy in conjunction with a diagnosis of breast cancer.

In the case of a covered person receiving benefits under their plan in connection with a mastectomy and who elects breast reconstruction, coverage will be provided in a manner determined in consultation with the attending physician and the patient for:

- Coverage will be provided for the reconstructive surgery of the breast on which a mastectomy has been performed.
 - Coverage will be provided for surgery and reconstruction of the other breast to produce a symmetrical appearance.
 - Coverage will be provided for prostheses and physical complications through all stages of a mastectomy, including swelling associated with the removal of lymph nodes.
-

Newborns' and Mothers' Health Protection Act of 1996

Group health plans and health insurance issuers generally, may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours if applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Genetic Information Nondiscrimination Act of 2008 (GINA)

GINA prohibits employers and other entities covered by GINA from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we are asking that you not provide any genetic information when responding to this request. "Genetic information" as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services. Please do not include any family medical history or any information related to genetic testing, genetic services, genetic counseling or genetic diseases for which an individual may be at risk

Important Notices

Initial Notice About Special Enrollment Rights in Your Group Health Plan

A federal law called Health Insurance Portability and Accountability Act (HIPAA) requires that we notify you about very important provisions in the plan. You have the right to enroll in the plan under its “special enrollment provision” without being considered a late enrollee if you acquire a new dependent or if you decline coverage under this plan for yourself or an eligible dependent while other coverage is in effect and later lose that other coverage for certain qualifying reasons. Section I of this notice may not apply to certain self-insured, non-federal governmental plans. Contact your employer or plan administrator for more information.

A. SPECIAL ENROLLMENT PROVISIONS

Loss of Other Coverage (Excluding Medicaid or a State Children’s Health Insurance Program) If you are declining enrollment for yourself or your eligible dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if you move out of an HMO service area, or the employer stops contributing toward your or your dependents’ other coverage). However, you must request enrollment within 31 days after your or your dependents’ other coverage ends (or move out of the prior plan’s HMO service area, or after the employer stops contributing toward the other coverage).

Loss of Coverage For Medicaid or a State Children’s Health Insurance Program

If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children’s health insurance program is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 60 days after your or your dependents’ coverage ends under Medicaid or a state children’s health insurance program.

New Dependent by Marriage, Birth, Adoption, or Placement for Adoption

If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 31 days after the marriage, birth, adoption, or placement for adoption.

Eligibility for State Premium Assistance for Enrollees of Medicaid or a State Children’s Health Insurance Program

If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or through a state children’s health insurance program with respect to coverage under this plan, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days after your or your dependents’ determination of eligibility for such assistance.

To request special enrollment or obtain more information, call Customer Service at the phone number on the back of your Blue Cross and Blue Shield ID card.

II. Additional Notices

Other federal laws require we notify you of additional provisions of your plan.

NOTICES OF RIGHT TO DESIGNATE A PRIMARY CARE PROVIDER (FOR NON-GRANDFATHERED HEALTH PLANS ONLY)

For plans that require or allow for the designation of primary care providers by participants or beneficiaries:

If the plan generally requires or allows the designation of a primary care provider, you have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. For information on how to select a primary care provider, and for a list of the participating primary care providers, call Customer Service at the phone number on the back of your Blue Cross and Blue Shield ID card.

For plans that require or allow for the designation of a primary care provider for a child: For children, you may designate a pediatrician as the primary care provider.

For plans that provide coverage for obstetric or gynecological care and require the designation by a participant or beneficiary of a primary care provider: You do not need prior authorization from the plan or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals.

For a list of participating health care professionals who specialize in pediatrics, obstetrics or gynecology, call Customer Service at the phone number on the back of your Blue Cross and Blue Shield ID card.

NOTICE OF PRIVACY PRACTICES

This notice describes how medical information about you may be used and disclosed and how you can get access to this information. Please review it carefully.

I. USE AND DISCLOSURE OF HEALTH INFORMATION

The Texas Association of Counties Health and Employee Benefits Pool ("Pool") has created a health plan that provides health coverages for employees (and their dependents) of the counties and county-related entities that are members of the Pool ("the Plan").

The Plan is subject to the requirements of the federal Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and the Privacy Rule published by the United States Department of Health and Human Services at 45 CFR §§ 160 -164 ("Privacy Rule"). HIPAA and the Rule regulate the Plan's use of your protected health information.

The Plan may use your protected health information for purposes of making or obtaining payment for your care and conducting health care operations. The Plan has established a policy to guard against unnecessary disclosure of your health information.

The following is a summary of the circumstances under which and purposes for which your health information may be used and disclosed without getting authorization from you or giving you a chance to agree or object to the disclosure:

A. To Make or Obtain Payment.

The Plan may use or disclose your health information to make payment to or collect payment from third parties, such as other health plans or providers, for the care you receive. For example, the Plan may provide information regarding your coverage or health care treatment to other health plans to coordinate payment of benefits.

B. To Conduct Health Care Operations.

The Plan may use or disclose health information for its own health care operations, to facilitate the administration of the Plan, and as necessary to provide coverage and services to all the Plan's participants. If the Plan needs to use your information but does not need to disclose it to third parties, it will be used but will not be disclosed. Health care operations include such activities as:

- Quality assessment and improvement activities.
- Activities designed to improve health or reduce health care costs.
- Clinical guidelines and protocol development, case management, and care coordination.
- Contacting health care providers and participants with information about treatment alternatives and other related functions.
- Health care professional competence or qualifications review and performance evaluation.
- Accreditation, certification, licensing, or similar activities.
- Underwriting, premium rating or related functions to create, renew or replace health insurance or health benefits. However, while we may use and disclose your health information for underwriting purposes, we are prohibited from using or disclosing genetic information of an individual for such purposes.
- Review and auditing, including compliance reviews, medical reviews, legal services, and compliance programs.
- Business planning and development, including cost management and planning related analyses and formulary development.
- Business management and general administrative activities of the Plan, including customer service and resolution of internal grievances.

For example, the Plan may use your health information to conduct case management reviews, to review and assess the quality of the various components of the Plan and the utilized health care providers, or to engage in customer service and grievance resolution activities.

C. For Treatment Alternatives.

The Plan may use and disclose your health information to tell you about or to recommend possible treatment options or alternatives that may be of interest to you. For example, a doctor sends the Plan information about your diagnosis and treatment plan so additional services can be arranged.

D. For Distribution of Health-Related Benefits and Services.

The Plan may use or disclose your health information to provide you information on health-related benefits and services that may be of interest to you.

E. For Disclosure to the Plan Sponsor.

The Plan may provide summary health information to the plan sponsor so that the plan sponsor may solicit premium bids from health insurers or modify, amend, or terminate the plan. The Plan also may disclose to the plan sponsor information on whether you are participating in the health plan.

In addition, the Plan may disclose your protected health information (PHI) to the plan sponsor as necessary for the plan sponsor to perform administration functions on behalf of the Plan. The Plan will not provide your name in connection with your health information and will otherwise de-identify the information to the extent it is practical to do so. PHI will be disclosed to the plan sponsor only upon receipt of a certification by the plan sponsor that the plan sponsor agrees to:

- Not use or further disclose the information other than as permitted or required by the plan documents or as required by law.
- Ensure that any agents to whom it provides PHI received from the Plan agree to the same restrictions that apply to the plan sponsor with respect to such information.
- Not use or disclose the information for employment related actions and decisions or in connection with any other benefit or employee benefit plan of the plan sponsor.
- Report to the Plan any use or disclosure of PHI that is inconsistent with the uses or disclosures provided for of which it becomes aware.
- Make available PHI for amendment and incorporate any amendments to PHI agreed to or required by the Plan.
- Make PHI available to an individual who has a right to access it pursuant to the Privacy Rule.
- Make available the information required to provide an accounting of disclosures in accordance with the Privacy Rule.
- Make its internal practices, books, and records relating to the use and disclosure of PHI received from the Plan available to the Secretary for purposes of determining compliance by the Plan with the Privacy Rule; and
- If feasible, return or destroy all PHI received from the Plan that the sponsor still maintains in any form and retain no copies of such information when no longer needed for the purpose for which the disclosure was made.

Any PHI disclosed by the Plan will be disclosed to the Pool Coordinator designated by the Plan Sponsor. The Plan Sponsor will restrict access to and use of PHI to those individuals who need it to perform plan administration functions or to obtain bids for health

coverage. The plan sponsor will provide an effective mechanism for resolving any issues if such persons use or disclose your PHI inappropriately.

F. When Legally Required.

The Plan will disclose your health information when it is required to do so by any federal, state, or local law.

G. To Conduct Health Oversight Activities.

The Plan may disclose your health information to a health oversight agency for authorized activities including audits, civil, administrative, or criminal investigations, inspections, licensure, or disciplinary action. The Plan, however, may not disclose your health information if you are the subject of an investigation and the investigation does not arise out of or is not directly related to your receipt of health care or public benefits.

H. In Connection with Judicial and Administrative Proceedings.

The Plan may disclose your health information during any judicial or administrative proceeding in response to an order of a court or administrative tribunal as expressly authorized by such order or in response to a subpoena, discovery request, or other lawful process, but only when the Plan makes reasonable efforts to either notify you about the request or to obtain an order protecting your health information.

I. For Law Enforcement Purposes.

As permitted or required by state law, the Plan may disclose your protected health information to a law enforcement official for certain law enforcement purposes, including, but not limited to, if the Plan has a suspicion that your death was the result of criminal conduct or in an emergency to report a crime.

J. In the Event of a Serious Threat to Health or Safety.

The Plan may, consistent with applicable law and ethical standards of conduct, disclose your protected health information if the Plan, in good faith, believes that such disclosure is necessary to prevent or lessen a serious and imminent threat to your health or safety or to the health and safety of the public.

K. For Specialized Government Functions.

We may be required to disclose your information to federal authorities. Federal regulations require the Plan to use or disclose your health information to facilitate specified government functions related to the military and veterans, national security and intelligence activities, protective services for the president and others, and correctional institutions and inmates.

L. For Worker's Compensation.

The Plan may release your health information to the extent necessary to comply with laws related to workers' compensation or similar programs.

M. Public Health Activities.

The Plan may disclose your protected health information to a public health authority authorized by law to collect such information to prevent or control disease, injury, or disability, and to report such information as birth or death, the conduct of public health surveillance and public health investigations. The Plan also may disclose your information to an appropriate government authority authorized to receive reports about child abuse. The Plan also may disclose your information to a person responsible for activities related to the quality, safety and effectiveness of products regulated by the federal Food and Drug Administration. The Plan may disclose your protected health information to a government authority if there is a reasonable belief that you are a victim of abuse, neglect, or domestic violence.

N. SUD Treatment Information

The Plan may use or disclose for treatment, payment, and health care operations as described by this Notice information about you that was received (or is maintained) by the Plan from a substance abuse disorder treatment program covered by 42 CFR Part 2 (a "Part 2 Program") through a general consent you provided to the Part 2 Program to use and disclose the Part 2 Program record for purposes of treatment, payment or health care operations. In no event will we use or disclose your Part 2 Program record, or testimony that describes the information contained in your Part 2 Program record, in any civil, criminal, administrative, or legislative proceedings by any Federal, State, or local authority, against you, unless authorized by your consent or the order of a court after it provides you notice of the court order.

II. AUTHORIZATION TO USE OR DISCLOSE HEALTH INFORMATION

Other than as stated above, the Plan will not disclose your health information unless you give us your written authorization. Specifically, we must have your written authorization to use or disclose psychotherapy notes except as permitted or required by law and personal information for marketing purposes, in most instances. In addition, we do not sell your personal information. If you authorize the Plan to use or disclose your health information, you may revoke that authorization in writing at any time, unless the Plan has taken an action based on your authorization.

III. YOUR RIGHTS WITH RESPECT TO YOUR HEALTH INFORMATION

You have the following rights regarding your health information that the Plan maintains:

A. Right to Request Restrictions.

You may request restrictions on certain uses and disclosures of your health information. You have the right to request a limit on the Plan's disclosure of your health information to someone involved in the payment of your care. The Plan is not required to agree to your request but will certainly consider it. We must, however, agree to any request you may make to restrict disclosure of your personal information to a health plan if the disclosure is for the purpose of carrying out payment or health care operations and is not otherwise required by law and the information pertains solely to a healthcare item or service for which you or someone acting on your behalf paid the provider in full. If you wish to make a request for restrictions, please contact TAC HBS Deputy Director of Operations at 800-456-5974.

B. Right to Receive Confidential Communications.

You have the right to request that the Plan communicate with you in a certain way if you feel it is necessary to protect your interests. For example, you may ask that the Plan only communicate with you at a certain telephone number or by e-mail. If you wish to receive confidential communications, please make your request in writing to TAC HBS Deputy Director of Operations, P.O. Box 2131, Austin, Texas 78768. The Plan will honor your reasonable requests for confidential communications.

C. Right to Inspect and Copy Your Health Information.

You have the right to inspect and copy your health information. A request to inspect and copy records containing your health information must be made in writing to TAC HBS Deputy Director of Operations, P.O. Box 2131, Austin, Texas 78768. If you request a copy of your health information, the Plan may charge a reasonable fee for labor for copying, the costs of supplies for creating an electronic copy on portable media, the cost of preparing an explanation or summary of the information if you agree, and postage, if applicable, associated with your request.

D. Right to Amend Your Health Information.

If you believe that your health information records are inaccurate or incomplete, you may request that the Plan amend any records in its possession. A request for an amendment of records must be made in writing, must express a reason the records should be amended, and must be sent to the TAC HBS Deputy

Director of Operations, P.O. Box 2131, Austin, Texas 78768. The Plan may deny the request if it does not include a reason to support the amendment. The request also may be denied if your health information records were not created by the Plan, if the information requested is not part of a designated record set, if the health information you are requesting to amend is not part of the Plan's records, if the health information you wish to amend falls within an exception to the health information you are permitted to inspect and copy (including psychotherapy notes, and information compiled for or in anticipation of a civil, criminal or administrative proceeding), or if the Plan determines the records containing your health information are accurate and complete.

E. Right to an Accounting.

The Privacy Rule requires the Plan to keep a record of certain disclosures of health information, such as disclosures for public purposes authorized by law or disclosures that are not in accordance with the Plan's privacy policies and applicable law. You have the right to request a copy of this record. The request must be made in writing to TAC HBS Deputy Director of Operations, P.O. Box 2131, Austin, Texas 78768. Accounting requests may not be made for periods of time going back more than six (6) years. The Plan will provide the first accounting you request during any 12-month period without charge. Subsequent accounting requests may be subject to a reasonable cost-based fee. The Plan will inform you in advance of the fee, if applicable.

F. Right to a Paper Copy of this Notice.

You have a right to request and receive a paper copy of this Notice at any time, even if you have received this Notice previously or agreed to receive the Notice electronically. To obtain a paper copy, please contact TAC HBS Deputy Director of Operations, P.O. Box 2131, Austin, Texas 78768. You also may view a copy of the current version of the Plan's Privacy Notice at the Web site, <http://www.County.Org>.

IV. DUTIES OF TAC HEBP HEALTH PLAN

The Plan is required by law to maintain the privacy of your health information as set forth in this Notice and to provide to you with this Notice of its duties and privacy practices. The Plan is also required by law to notify any affected individuals following a breach of their unsecured protected health information. The Plan is required to abide by the terms of this Notice, which may be amended from time to time. The Plan reserves

the right to change the terms of this Notice and to make the new Notice provisions effective for all health information that it maintains. If the Plan changes its policies and procedures, the Plan will revise the Notice and will provide a copy of the revised Notice to you within 60 days of the change.

The Plan will also post the revised Notice on its website by the effective date of the Notice. You have the right to express complaints to the Plan and to the Secretary of the Department of Health and Human Services if you believe that your privacy rights have been violated. Any complaints to the Plan should be made in writing to TAC HEBP Privacy Official, Rob Ressmann, P.O. Box 2131, Austin, Texas 78768. The Plan encourages you to express any concerns you may have regarding the privacy of your information. You will not be retaliated against in any way for filing a complaint.
