WHEN CAN I ENROLL?

You may enroll during any scheduled enrollment period, within 31 days of the date you have a change in family status, or within the new hire waiting period days of the completion of any eligibility waiting period established by your employer.

WHEN DOES THIS INSURANCE BEGIN?

Subject to any eligibility waiting period established by your employer, insurance will become effective in accordance with the terms of the certificate (usually the first day of the month following the date you elect coverage).

WHAT DOES IT MEAN TO BE DISABLED?

Disability is defined in The Hartford's certificate with your employer.

Typically, disability means that you cannot perform one or more of the essential duties of your occupation due to injury, sickness, pregnancy or other medical condition covered by the insurance, and as a result, your current monthly earnings are less than 80% of your pre-disability earnings. Once you have been disabled for 2 years following the elimination period, you must be prevented from performing one or more of the essential duties of any occupation and as a result, your current monthly earnings are less than or equal to 60% of your pre-disability earnings.

Pre-disability earnings is your regular monthly rate of pay, not counting commissions, bonuses, overtime pay or any other fringe benefit or extra compensation.
