Whole Life Insurance

You can't predict your family's future, but you can be prepared for it.

You like to think that you'll be there for your family in the years to come. But if something happened to you, would your family have the income they need?

It's not easy to think about such serious circumstances, but it's important to make sure your family is financially protected. You can gain peace of mind with Colonial Life's Whole Life Insurance.

What is whole life insurance?

Whole life insurance can help provide protection for you and those who depend on you. You won't have to worry about becoming uninsurable later in life, and your premiums won't increase as you get older.

With whole life insurance, you receive a guaranteed death benefit, which can help with funeral costs and other immediate expenses. Also, throughout the life of the policy, you can access its cash value through a policy loan, and use the money for emergencies.

What are the advantages of Colonial Life's whole life insurance?

- Your premiums will never increase because of changes in your health or age.
- You can take the policy with you even if you change jobs or retire, with no increase in premium.
- A guaranteed purchase option means you can purchase additional whole life coverage — without having to answer health questions — at three different points in the future.
- With the accelerated death benefit, you can request up to 75 percent of your policy's death benefit to a maximum of \$150,000 if you are diagnosed with a terminal illness.*
- An immediate \$3,000 claim payment can help your designated beneficiary pay for funeral costs or other expenses.

Product options

Paid-up at age 65 or paid-up at age 95

These two plan design options allow you to select what age your premium payments will end. You can choose to have your policy paid up when you reach age 65 or 95.

Guaranteed purchase option

If you are age 55 or younger when you purchase the policy, you have the option to purchase additional whole life coverage – without having to answer health questions – at three different points in the future. You may purchase up to your initial face amount, not to exceed a total combined maximum of \$100,000 for all options.

Additional coverage options

Spouse whole life policy

This policy offers a guaranteed death benefit, guaranteed level premiums and guaranteed cash value accumulation – whether or not you buy a policy on yourself.

Spouse term life rider

You can purchase term life coverage for your spouse, with a maximum death benefit of up to \$50,000. 10-year and 20-year coverage periods are available, based on the policy you select. You can choose to convert this coverage to a cash value policy within certain time periods later on – without having to answer health questions.

Juvenile whole life policy

You can purchase a policy while children are young and premiums are lower – whether or not you buy a policy on yourself. You may also increase the coverage when the child is 18, 21 and 24 without providing proof of good health. The plan design is paid-up at age 65.

Children's term life rider

You may purchase up to \$10,000 in term life coverage for each of your eligible dependent children and pay one premium. You can later convert this coverage to a cash value life insurance policy – without having to answer health questions. You can add this additional coverage to either the primary or the spouse policy, but not both.

Waiver of premium benefit rider

Your premiums on the whole life policy and any riders attached to it will be waived if you become totally disabled before the policy anniversary following your 65th birthday and you satisfy the six-month elimination period.

Accidental death benefit rider

This rider pays an additional benefit if you die as a result of an accident before age 70. The benefit doubles if the accident occurs while you are a fare-paying passenger. An additional 25% of the accidental death benefit will be paid should you die due to an injury sustained while driving or riding in a private passenger vehicle and wearing a seat belt.

*Any payout would reduce the death benefit.

EXCLUSIONS AND LIMITATIONS

If the insured commits suicide within two years from the coverage effective date or the date of reinstatement, whether he is sane or insane, we will not pay the death benefit. We will terminate this policy and return the premiums paid, minus any loans and loan interest to you. Product may vary by state. For costs and complete details of the coverage, call or write your Colonial Life benefits counselor or the company.
